

YOU MUST STRAP THE 3 TURNBUCKLES TOGETHER

YOU MUST SECURE YOUR BIKE FROM AT LEAST FOUR POINTS

You must use MX Tie Downs or Ratchet Straps from your bikes frame or handlebars or triple clamp to the secondary tie down points on the main bar into the hitch.

DO NOT RELY SOLEY ON THE HARDWARE TO THE FOOT PEGS

Hardware failure can happen, and your bike will fall onto the road without secondary tie downs to the rack.

YOU ARE RESPONSIBLE FOR SECURING YOUR BIKE FROM MULTIPLE POINTS
